Dear Brother above you ^{a list} have the five articles
we have made out to gather since my
return home. I feel much mortified that so much
effort has produced so little. I thank the Lord
your favor of 19th Inst. and last Saturday breathes
a firm & lion like Spirit. I hope the Lord will be
merciful to us - be assured I have trembled for the
mission. I must with the avenging Devil at
every point. I when he is pierced he flourishes &
spouts like a whale with a harpoon in him.

Brother McQuire preceded for us yesterday in
Xenia in the place of Brother Brooke who is rising
slowly from a severe spell of the fever, he hopes
to be able to preach in a few weeks - Brother
McQuire told the society of a few Methodist
who had united & commenced fasting & praying
to God to cast out the Devil of Avarice. He
had succeeded pretty well & advised the
Methodist of Xenia to adopt the same practice
I thought it a pretty good one indeed -

Your letter warmed up my soul & sanctified
I praise you in saying from the heart glory
to God for all his mercies to the sinful sons
& daughters of Adam. - I read also your
letter from Bro. Rogers - I was wickedly treated
by that young man Bacon whom I hired to
go out & repair the open - as well as others.
It was a shameful thing that old Mrs. Conroy did
not send them out, & neglected to feed them as
they ought to be fed. I will try to be out
in May or June, if I should not go to Oregon
this spring. Bro. Selu is hardly ever well enough
to be out or he would help our cause. Bro.
Haustron can only work in Dayton & I receive
no help worth mention that I know of from
the other two. I am informed there is a reported
with Brother Blair in Leveville. O Shelling Rock
and 2 yards fence for the mission.

I rec'd word from Bro. Pearce by Thomas
my son, that nothing was gotten there, nor
could be he believed of much consequence.
Brother Faglesong, promised to pack up a
small crate of rocks &c. but by some
unaccountable bad management in the
waggoner whom we expected to bring up that
which might be gotten in this place has totally
neglected it. I sorrowfully told me he had sold
out entirely so I am disappointed in getting
them. We have not one to spare or we
would send you a few - I will hear them
from Lebanon send them out as soon as possible.

I had got up your name applicable to
request I had will now take him out, should
just put with him in Town this morning.

I intend still to strive to do what I can.
I have heard not one word by letter from
any part of the Ohio Conference - Brother Quinn
send me word from Chillicothe, he was so
proud himself he had no heart to mention
the thing to people - I give you the
black side & black man say you
but we will bring on I as you have
prepared to die by my side I feel willing
to die by yours. I trust God's assistance
we will leave our bones in the field
to bleach until the morning of the Resur-
rection. Then we shall meet the little
we may have done for the Kingdom of our
God. I wish James to return back
immediately. I hunted for another person
until I was worn out. I concluded there was
no other chance then. If you will let me

know when these dear sisters wish to come
in I will do my best to afford them the pleasure
of seeing their friends. Fight on my dear
sisters fight on, for a good war gain our
battles will be our present, I will stand
around the throne, May our God save us
for Christ sake Amen. Dear love to you
all I am my dear brethren & sisters your
affectionate brother in Christ James. Acker

I have not time to correct this
The dried apples are for br. Lewis expect
early, I hope this which is submitted to the mission

As you are not absent your horse it
be able to be seen in your hands easily, I suppose
be doing him - I am sorry that I have not
waggon, I will send him back to the other about
a week or so at my house
